

Tired of Painting Miles of Post and Rail Fence?

**DLR Vinyl Products Inc.
Presents**

Wholesale Ranch Rail Fencing!

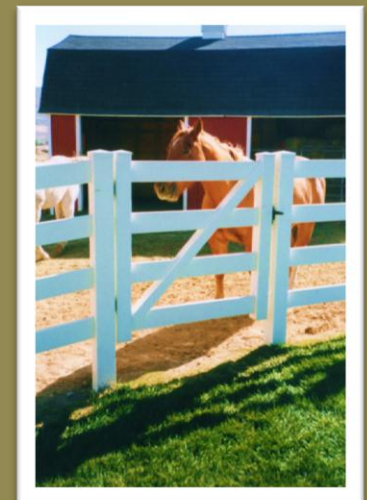

Some places are known for their clean white fences bordering pristine green pastures. Yours can be one of them. DLR Vinyl Products' Ranch fence systems deliver the stunning appearance of the classic rustic wood fencing without the need for extensive and expensive maintenance. From the simple multiple rail design to the more aesthetic cross buck, your DLR dealer/installer can bring ranch-style appeal to your property, no matter how many acres your property includes.

You simply won't find better, more attractive fencing products in the market today.

Two rail, three rail, four rail, or Crossbuck styles available to suit your taste. Durable heavy wall posts and rails by  Westech are proven as the industries highest quality PVC fencing systems as seen at the 2008 Beijing Olympics Equestrian site.

Westech PVC ranch rail fencing is strong enough to deter animals from pushing through it but will not splinter or hurt them if they do break through, therefore avoiding costly veterinarian bills or worse.

Make Costly Fence Painting a thing of the past and have your Beautifully Fenced Property too!

Contact us today for more information on supply and pricing for the Do it Yourself Project or for the name of a reputable installer in your area!
